

NETWORKING BREAKFAST

MAY 7TH, 2019 8:00-10:00 AM

The Embassy of The Netherlands in Mexico, Dutch Energy Association, Brandmarion, IRO and Navingo would like to invite you to our upcoming networking breakfast during OTC 2019. The topic will be:

‘THE IMPACT OF MEXICO’S PRODUCTION PUSH ON BUSINESS OPPORTUNITIES’

The objective of this breakfast is to create a platform for constructive debate on the future of the Mexican energy sector, to explore approaches to the operational and technical challenges facing Mexico’s new operators and the strengths and capabilities of the Dutch service industry.
